

HUNTER GRAM

CANOGA PARK HIGH SCHOOL  
January 23, 2006

Happy New Year! I hope that you all had a joyous and safe holiday season.

Now that all of the decorations are put away and the bills for all of the gifts start arriving. There is much to do at CPHS.

#### **Administrative Changes**

Two of our outstanding administrators, Lonnie Wallace and Sheri Schwartz, have been promoted and will be leaving us. Lonnie now will be the generic Assistant Principal at the New East Valley High School #3 (formerly the Carnation Plant) in Van Nuys. Sheri will assume the same position at Kennedy High School.

Both of these outstanding ladies will be missed for their dedication, caring, and loyalty to our school. We wish them both the best!

We will be conducting interviews during January, and we expect to have both positions filled by the beginning of the next semester (February 6).

#### **Campus Improvements**

The school district is continuing its effort in helping us improve our campus. Four of our bungalows are being re-stuccoed. This project will definitely improve the looks of our school.

#### **Winter Sports**

Our winter sports team begins the Sunset-Six League season this week. All of our athletes have worked very hard to prepare for this season and I encourage all of you to come out and support "the Mighty Hunters."

Coaching this year's winter sports will be:

Girls Basketball	Antony Villalobos
Boys Basketball	Rod Stinson
Girls Soccer	Luke Walsh
Boys Soccer	Jake Gwin

If you have any questions regarding any of our teams, please contact our Athletic Director, Joanne Heller at (818) 340-3221, ext 250.
