Loss of snack food revenue creates budget crisis

Be true to your school - Canoga Park Principal, Dr. Thompson, hangs ten during the Back to School Fashion Show put on by the Senior Class. The show was the first big event of the year for the class of 2006, and helped to raise funds for their activities. This year, all organizations on campus are looking for ways to make up for the money no longer coming in from the sale of snack foods and sodas, following the district wide ban in 2004.

♦ Campus activities suffer from ban of profitable sales

By Gabriela Jimenez and Yannik Roth

Ever since the 2004-2005 school year, when LAUSD decided to ban the sale of chips, sodas, candy and other snack foods the school has been forced to operate on a tighter budget. Since sodas were taken away our school has lost about \$50,000...

Canoga Campus becomes shelter from the firestorm

News at Eleven - As brush fires raged through the hills of Chatsworth, Bell Canyon, Moorpark and other areas of the southland, the American Red Cross set up evacuation shelters at Pierce College and Canoga Park High School.

By Thursday morning, dozens of families whose homes were threatened by the fires had gathered in the big gym and all facilities in the PE area were given over to aid in the effort.

Local and network news crews came and went throughout Wednesday night and into Thursday, covering the first major event of the fire season in Southern California for 2005.

If it seems like there are fewer students on campus this year, you're right. In 2004 school opened with over 2000 students, but this year the total as of September 9, 2005 was only 1875.

Budget Crisis: Snack food revenues lost

By Gabriela Jimenez and Yannik Roth

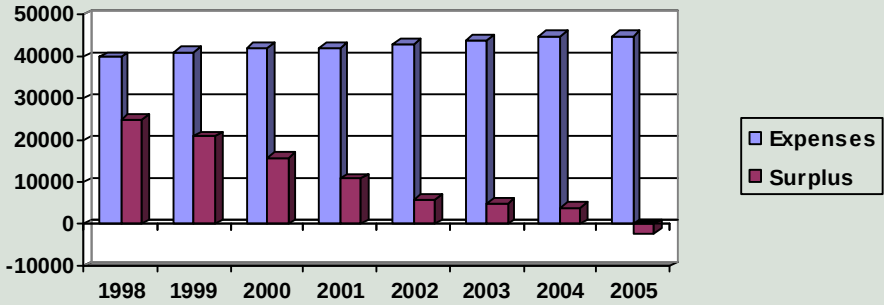

The loss of income from the sale of snack foods has affected virtually every school activity, making it harder to purchase band uniforms, provide budgets for athletic teams and fund many other programs.

Even though Gatorade and water machines are still around, these healthier alternatives haven’t been consumed much by students so our school is still down by \$30,000. Advisors and coaches are hoping to raise the necessary money by arranging more fundraisers.

Canoga Park Principal, Dr. Thompson, said: “Canoga Park students deserve nothing but the best.” He went on to say, “if our school can’t sell snacks to raise money, then the district should provide the money for uniforms and other utilities needed”.

Compounding this problem is the smaller number of students attending Canoga High this year. The district provides money to each school according to the population of students in the school: the more students, the more money, and the less students, the less money. But many of last year’s traveling students left Canoga to attend South Central High or other schools in L.A. Along with a general reduction in student registration throughout the district, this creates additional problems because we’re not receiving as much money as before.

On the bar graph above you can see the expenses and the money taken

from our school savings (surplus) from 1998 to 2005.

Our student store manager explained to us how expenses have been increasing every year and our profits weren't as high.

Fewer students enroll in 2005

As many students have heard, Canoga Park has a smaller population of students this year compared to 2004-2005. Last year, Canoga enrolled approximately 2300 students. This year, as of September 13, only 1875 Hunters had shown up.

We are about 450 students short. Yet neither the school nor the district can fully explain where all of the kids are. Originally, Canoga was told by the district to plan for a larger number of students. In meetings with district officials, Canoga Assistant Principal, Ms. Wallace, was told that the student population just “went poof.”

The school administration, in trying to deal with the problem, must close classes and transfer some teachers to other schools. About 60 classes are closing and about 12 teachers are being transferred to other schools.

Mr. Jordan will be going to Birmingham, Mr. Gwinn will transfer to Monroe’s continuation school, all of Ms. Westernoff’s classes for this semester are being closed, some Academy classes have been eliminated for now, Ms Braham’s 0 period has also been closed, along with many other classes.

According to Canoga Park Assistant Principal, Ms. Wallace, the district said Canoga’s student population “just went poof.”

The first meet of the season, scheduled for Thursday, September 29, was postponed due to the fires in the San Fernando Valley and surrounding areas.

Be part of the fun - at the next home football game, join Dr. Thompson, Mr. Mcgee, Mr. Walsh and the rest of the staff who sing this famous Beach Boys song at the end of the 3rd quarter.

Be True to Your School

When some loud braggart tries to put me down
And says his school is great
I tell him right away
"Now what's the matter buddy
Ain't you heard of my school
It's number one in the state"

So be true to your school, now
Just like you would to your girl or guy
Be true to your school now
And let your colors fly
Be true to your school

I got a letterman's sweater
With a letter in front
I got for football and track
I'm proud to wear it now
When I cruise around
The other parts of the town
I got my decal in back

So be true to your school now
Just like you would to your girl or guy
Be true to your school now
And let your colors fly
Be true to your school

Come Friday we'll be jacked up on the football field
And I'll be ready to fight
We're gonna smash 'em now
My girl will be working on her pom-poms now
And she'll be yelling tonight

So be true to your school now
Just like you would to your girl or guy
Be true to your school now
And let your colors fly
Be true to your school

Hunter Basketball

Canoga 71, Reseda 52

Sept. 19,2005

The Freshman Hunters continued their winning ways, September 14, as they dominated the Reseda Regents, 71 to 52. Early in the game it seemed like Canoga had the game won easily, ending the first half ahead 34-18. Canoga seemed to tire after halftime, but they were able outscore Reseda 37-34 in the second half, to seal the victory.

Mr. Nogy, Canoga's ROP Coordinator, who kept score for the contest, commented

Cleveland 72, Canoga 54

Sept. 22, 2005

In their third pre-season Basketball game the Canoga freshman lost to the Cleveland cavaliers, 72:54. Close to the end of 1st quarter the score was 24:10. During the 2nd quarter the hunters began to catch up, but still trailed at half-time, 40:33. The loss was the first of the pre-season.

Hunter Cross Country

◆ October 2005

News Article

Fall is here! With it comes the Cross Country season. “Like every year, we expect to qualify as many runners as possible to go to city finals” states Mrs. Contreras, cross country coach. This year there are 32 runners which include 7 freshmen. This year top varsity runners are Jesus Correa, Luis Hernandez, Christian Rojas, Erika Ballesteros, Elva Lopez, and Elizabeth Flores. The top runners for frosh/soph boys and girls are Alejandro Carrillo, Omar Cruz, and Elvira Gomez. Couch Contreras believes that Erika Ballesteros has a very good chance

Canoga Park’s Cross Country defeats Hamilton on October 3. Erika Ballesteros contributed to the girls varsity win by coming in first place in 23:35 minutes. Jesus Correa shocked his team by coming in first place, finishing the trail in 18:21 minutes.

Coach Contreras expects varsity to do well because “most of these runners have been on the team since 9th grade and they are now 11th graders.”

Now it is Cross Country’s challenge to maintain their winning status.

International students enrich Canoga's campus

Name:	Yannik Roth (17)
Year in school:	Senior
Home Country:	Germany/Berlin
Yannik is an exchange student from Germany, he will spend one year in the United States. During his stay he is living with his host- father Phil in Woodland Hills. His dream is to work in television, behind the camera. One of his biggest hobbies is to play basketball and the guitar. When he returns to Germany he has to go to school for two more years and graduate again.	

Name:	Raik Kurtzusch (16)	
Year in school:	Senior	
Home Country:	Germany/Pluegkuff	
Raik is also an international student from Germany. When he first arrived in the United States, he lived in Encino and attended Birmingham High, but he decided to change schools because he didn't like it there. Now he lives in Woodland Hills and comes to Canoga. Raik is from a small town village named Pfluegkuff, 50 miles from Berlin. He likes fishing and his ambition is to have a job working with cars. Here in Woodland Hills he is going to a mechanics school to learn more about cars and how to work on them.		

Yannik and Raik earned their scholarship as a result of a competition. The German Bundestag and the American Congress have a relationship that allows 300 students in Germany and America to spend one year abroad for free.

	Name:	Michael Drabek (18)
	Year in school:	Senior
	Home Country:	Czech Republic/ Jablonec
	Michael is from the Czech Republic and is also spending one year in L.A. together with Phil, Yannik and, for the moment, Jan. He also likes playing basketball and other sports. In fact, he is one of the best young tennis players in the Czech Republic. He trains younger tennis players, and he eventually wants to become a doctor.

Where have all the murals gone?

By: Marisol Diaz and Leslie Favela

The mural club is a group of Canoga Park students who paint and retouch murals located within the school campus. The club, whose main goal was to keep murals on campus, was around for two and a half years. During the years, the plant manger asked the mural club to retouch most of the murals. Canoga benefited by this club because the mural club helped maintain its appearance clean by retouching murals and covering graffiti.

Unfortunately it has been suspended this year. When returning to school this September, club members were discouraged at the fact that their hard work went to waste during the renovation of the school. Since the school had a contract with the LAUSD, they had to take advantage of the opportunity to renovate the school; they did not specify where not to paint. Ms. Klank, the club advisor, feels as though the school has lost interest towards the club's purpose.

It is unfortunate to find all of Canoga's murals gone: they added character to our school. It is understandable why the decision to paint over them was made. Hopefully the mural club will reunite to paint new murals in the "new" school".

♦ Two Eagle Rock touchdowns on kickoffs prove downfall for Canoga in first preseason game.

By Debbie Juarez and Jessica Franco

Two defensive mistakes hurt the Hunters in their opening game of the 2005 season. Both mental lapses led directly to Eagle Rock touchdowns and proved the difference in the game, as the Eagles handed Canoga the loss, 24-15, on Friday September 9, 2005.

On their second possession early in the game, Eagle Rock scored on a 37-yard pass giving the Eagles a 7-0 lead. The Hunters answered with a 13-play drive that included several penalties and a recovered fumble, finally resulting in a touchdown by Andrew Argott. After a failed point after, the Hunters committed the first of two costly mistakes, allowing Eagle Rock to score on the ensuing kickoff. As a result, Canoga trailed at the end of the first quarter, 14-6.

In the second quarter, things started to go the Hunters’ way, as they recovered a fumble by the Eagles and converted it into a 32-yard field goal by Eddie Jaime.

But misfortune struck again as the Eagles returned another kickoff for a touchdown, giving Eagle Rock a 21-9 halftime lead.

Kyle Boas scored for the Hunters, to bring them within six points in the third quarter, but that was as close as Canoga got. In the final period, Canoga’s drives were plagued by penalties and injuries, including one injury that caused quarterback Vince Argott to be replaced by Eddy Erle. Eagle Rock added a late field goal to make the final score 24-15.

Varsity running back, Reggie Green, summarized the game in his own words: “Before the game I felt excited and pumped up, during the whole game I felt excited, after the game I was mad, but I look forward to the next game.”

Canoga @ Monroe

Hunters find redemption in 22-0 shut out of Monroe

In their second game of the season, the Hunters romped to an easy 22-0 victory over the Monroe Vikings. The score would have been even more one-sided except for one Hunter touchdown and one 50-yard pass completion that were called back because of Canoga penalties.

The Hunter scores came on two touchdown passes by Vince Argott, the first to Jose Maritnez and the second to Kyle Boas. Davion Williams also scored for Canoga on recovered fumble.
